AMOS is the leading software for aviation maintenance management (MRO software). We at CrossConsense assist the aviation industry to use and apply this comprehensive software solution for maintenance, engineering (M&E) and logistics needs.

You have one single point of contact (no separated responsibilities for hardware, database or application support) for 1st, 2nd and 3rd level. Our AMOS Support provides fast resolution times including SWISS-AS cases.

By answering more than 10,000 support requests per year we gained outstanding experience with AMOS.

- Accumulated knowledge based on multiple client support
- Accumulated experience based on multiple client support
- We understand and speak the language of aviation.
- Founded knowledge of the practical usage of AMOS in combination with IT
- Neutral carrier availability within our server centre(s)
